Tooele County, Utah

I telephoned Mr. Hal Allen at Deseret Bank (formerly Geneva State Bank in Orem) on February 1, 1985. He said that the \$2,500 in the savings account described by the July 22, 1980 letter is still valid. In addition, there is an extra \$5,000 in that account, but it was never acknowledged by the U. S. Forest Service so it may not be applicable.
